Ten casinhas and two cabanas peep out directly onto ocean vistas, while a spacious Casa Familia ensures privacy and exclusivity.

Included Flights

Please note your itinerary does include light aircraft flights on to which normal hard sided suitcases are not allowed. Please pack your clothing and other items into a soft sided duffel style travel bag (no larger than 24 inches long and 15 inches wide) that can be easily stored along with other travelers' bags in the small luggage compartments on board.

All Exeter Safari Company clients receive a complimentary specially designed travel duffel bag that matches these specifications exactly.

Please also note there is a strict 20KG (44lbs) weight limit for your luggage. You may bring a small backpack (or similar) into the main cabin. It is also worth noting these flight schedules are quite flexible and you should not expect to arrive or depart exactly as outlined in your itinerary. Often your flight will stop on route to your destination to pick up or drop off guests from other lodges.
