The background features a dark grey color with a white diamond pattern in the top-left corner. A dashed white line forms a large 'L' shape, separating the text area from a patterned area on the right. The patterned area consists of numerous vertical, slightly wavy lines in a light grey color, creating a textured effect.

The background is a solid teal color. On the left side, there are three vertical columns of a repeating pattern of triangles. The first two columns are dark teal, while the third is a lighter shade. The triangles are arranged in a grid-like fashion, alternating between pointing up and down. On the right side, the text 'SORT YOUR STUFF' is written in a white, hand-drawn, sans-serif font. Below the text, there is a large, stylized number '4' in a dark teal color, which is partially overlapping the text area.
