WHAT YOU'LL NEED

- 12x18-in. craft felt
- Pencil
- 4 oz. Elmer's glue
- Baking sheet
- Wax paper
- Sewing pins
- Hole punch
- Yarn or ribbon

WHAT TO DO

1. Print and cut out template. Fold felt in half. Trace template onto felt and cut out.
2. Mix about $\frac{1}{4}$ cup each of glue and water in a plastic grocery bag. Place felt in bag; press and turn to soak completely.
3. Line a baking sheet with wax paper. Wring excess glue out of felt and lay flat on the wax paper. Blot out any excess glue with a paper towel. Smooth felt until completely flat.
4. Let dry overnight or until dry and stiff.
5. Fold felt in half. Pin template to the felt and cut slits. Unfold.
6. Punch or snip holes in each corner and tie the corners together as shown with yarn or ribbon, trimming excess.
