

## Stocking Stencils for Stocking Garland

---

### INSTRUCTIONS

1. Trace each stocking shape on glitter paper. For a double-sided garland, flip each shape over and trace the back side, too.
2. Cut out stocking shapes.
3. Attach front and back stocking shapes together with a glue stick.
4. Punch two holes at the top of each stocking.
5. If desired, draw freehand stripes and toe and heel patches on glitter paper in different colors.
6. Cut out shapes and attach to stockings with a glue stick.
7. String stockings on gold cording.
