### Project: Snowball Pillowcase

#### **Materials**

- 8—5½" squares assorted prints (band)
- 3/8 yard solid (band)
- 7/8 yard print (pillowcase body)

Finished pillowcase: 30×20" (fits a standard-size bed pillow)

Yardages and cutting instructions are based on 42" of usable fabric width.

Measurements include 1/4" seam allowances for piecing blocks and 1/2" seam allowances for pillowcase construction. Sew with right sides together unless otherwise stated.

#### **Cut Fabrics**

From solid, cut:

- $-1-5\frac{1}{2}\times40\frac{1}{2}$ " strip
- 32—1**%**" squares

#### From print, cut:

■ 1—25**¾**×41" rectangle

#### Assemble Band

- 1. Use a pencil to mark a diagonal line on wrong side of each solid 1%" square. To prevent fabric from stretching as you draw the lines, place 220-grit sandpaper under each square.
- 2. Align a marked 1% square with one corner of an assorted print 5½ square (Diagram 1). Sew on drawn line; trim excess fabric, leaving ¼ seam allowance.

  Press open attached triangle.
- 3. Repeat Step 2 to add marked 11/8" squares to remaining corners of print 51/2" square to make a Snowball block (Diagram 2). The block should be 51/2" square including seam allowances
- **4.** Repeat Steps 2 and 3 to make eight Snowball blocks total.

- 5. Lay out blocks in a horizontal row as shown in Band Assembly Diagram. Sew together blocks to make a Snowball strip. Press seams in one direction. The strip should be 40½×5½" including seam allowances.
- 6. Referring to Band Assembly
  Diagram, sew together solid
  5½×40½" strip and Snowball
  strip along a pair of long edges.
- 7. Join short edges of Step 6 unit to make a loop. Fold loop in half with wrong side inside; press to make pillowcase band.

#### Assemble Pillowcase

- 1. Fold print 25%×41" rectangle in half widthwise to form a 25%×20½" rectangle. Using a ½" seam allowance, sew together long edges and a pair of short edges to make pillowcase body. Turn right side out and press flat.
- 2. Matching raw edges, slide pillowcase band over pillowcase body with Snowball blocks facing pillowcase body (Diagram 3); pin. Using a ¼" seam allowance, sew together through all layers.
- Press pillowcase band open, pressing seams toward pillowcase body. Topstitch 1/8" from band edge on pillowcase body to secure seam allowances and complete pillowcase (Diagram 4).
