instructions are based on  
42" of usable fabric width.  
Measurements include  
¼" seam allowances. Sew  
with right sides together  
unless otherwise stated.

## PLAN QUILT TOP

Designer Sandra Clemons used seven solids to make the quilt top. The materials list includes all fabrics and batting needed to complete the quilt.

In this PDF, instructions are given for the Rail Fence block, *opposite*. You can find instructions for all blocks and finishing at [AllPeopleQuilt.com/SewEasy](http://AllPeopleQuilt.com/SewEasy).

For the best use of fabrics, the sashing, border, and binding strips should be cut at the beginning of the project; cutting instructions for those pieces follow.

## CUT FABRICS FOR

### SASHING, BORDERS, AND BINDING

Cut pieces in the following order. Set these pieces aside so you can use them later to complete the quilt.

From solid gray, cut:

- 2—2½×38½" sashing strips
- 3—2½×34½" sashing strips
- 2—2½×16½" sashing strips

From solid yellow, cut:

- 5—4½×42" strips for inner border

From solid dark teal, cut:

- 6—6½×42" strips for outer border
- 7—2½×42" binding strips

## CUT FABRICS FOR

### RAIL FENCE BLOCK

From *each* gray, lime green, light pink, and dark teal solid, cut:

- 1—2½×42" strip

FABRICS are from the Cotton Couture solids collection from Michael Miller Fabrics ([michaelmillerfabrics.com](http://michaelmillerfabrics.com)).
