Cut pieces in the following order.

If you prefer to make triangle-squares larger than needed and then trim them to size, cut 3" squares instead of the 2⅞" squares specified here.

From cream batik, cut:

- 2–3½×38½" border strips
- 2–3½×32½" border strips
- 8–2⅞" squares
- 32–2½×4½" rectangles
- 96–2½" squares

From solid blue, cut:

- 16–2½×4½" rectangles

From turquoise batik, cut:

- 16–2⅞" squares
- 16–2½×4½" rectangles

From light blue batik, cut:

- 8–2⅞" squares
- 16–2½" squares

From blue batik, cut:

- 8–2⅞" squares
- 16–2½×4½" rectangles

From green batik, cut:

- 24–2⅞" squares
- 48–2½" squares

From binding fabric, cut:

- 4–2½×42" binding strips

ASSEMBLE BLOCKS

Measurements include ¼" seam allowances. Sew with right sides together unless otherwise stated.

Press seams in directions indicated by arrows on diagrams. If no direction is specified, press seam toward darker fabric.

The following instructions result in one block. Repeat assembly steps to make four blocks total.

1. Gather 24 cream batik 2½" squares, four solid blue 2½×4½" rectangles, eight cream batik 2½×4½" rectangles, four turquoise batik 2½×4½" rectangles, 12 green batik 2½" squares, six green batik 2⅞" squares, four turquoise batik 2⅞" squares, four light blue batik 2½" squares, four blue batik 2½×4½" rectangles, two cream batik 2⅞" squares, two blue batik 2⅞" squares, and two light blue batik 2⅞" squares.

2. Use a pencil to mark a diagonal line on one side of 16 cream batik 2½" squares, the green batik 2½" squares, the turquoise batik 2⅞" squares, the light blue batik 2½" squares, the cream batik 2⅞" squares, and two green batik 2⅞" squares.

3. Align a marked cream batik 2½" square with one end of a solid blue 2½×4½" rectangle (**Diagram 1**; note direction of drawn line). Sew on drawn line. Trim excess fabric, leaving a ¼" seam allowance. Press open attached triangle.

4. In same manner, add a second marked cream batik 2½" square to opposite end of rectangle (**Diagram 1**; again note direction of drawn line). Trim and press as before to make a solid blue Flying Geese segment. The segment should be 4½×2½" including seam allowances.

5. Repeat steps 3 and 4 to make four solid blue Flying Geese segments total.

6. Sew together a solid blue Flying Geese segment and a cream batik 2½×4½" rectangle to make a corner unit (**Diagram 2**). The corner unit should be 4½" square including seam allowances. Repeat to make four corner units total.

7. Repeat steps 3 and 4 using remaining marked cream batik 2½" squares and four turquoise batik 2½×4½" rectangles to make four turquoise Flying Geese segments (**Diagram 3**).

8. Sew an unmarked cream batik 2½" square to ends of a turquoise Flying Geese segment to make an outer side subunit (**Diagram 4**). The subunit should be 2½×8½" including seam allowances. Repeat to make four outer side subunits total.

9. Repeat steps 3 and 4 using marked green batik 2½" squares and remaining cream batik 2½×4½" rectangles to make four green Flying Geese segments (**Diagram 5**).

10. Layer a marked turquoise batik 2⅞" square atop an unmarked green batik 2⅞" square. Sew together with two seams, stitching ¼" on each side of marked line (**Diagram 6**). Cut pair apart on drawn line; press open to make two turquoise-green triangle-squares. Each triangle-square should be 2½" square including seam allowances. Repeat to make eight turquoise-green triangle-squares total.

11. Sew a turquoise-green triangle-square to ends of a green Flying Geese segment to make an inner side subunit (**Diagram 7**). The subunit should be 2½×8½" including seam allowances. Repeat to make four inner side subunits total.

12. Referring to **Diagram 8**, sew together an outer side subunit and an inner side subunit to make a side unit. Repeat to make four side units total.

PROJECT: Give Batiks a Spin

13. Repeat steps 3 and 4 using remaining marked green batik $2\frac{1}{2}$ " squares, marked light blue batik $2\frac{1}{2}$ " squares, and four blue batik $2\frac{1}{2}\times 4\frac{1}{2}$ " rectangles to make four blue batik Flying Geese segments (**Diagram 9**).

14. Repeat Step 10 using marked cream batik $2\frac{7}{8}$ " squares and two blue batik $2\frac{7}{8}$ " squares to make four cream-blue triangle-squares (**Diagram 10**).

15. Repeat Step 10 using marked green batik $2\frac{7}{8}$ " squares and two light blue batik $2\frac{7}{8}$ " squares to make four green-blue triangle-squares (**Diagram 11**).

16. Sew together green-blue triangle-squares in pairs (**Diagram 12**). Join pairs to make pinwheel unit. The Pinwheel unit should be $4\frac{1}{2}$ " square including seam allowances.

17. Lay out Pinwheel unit, cream-blue triangle-squares, and blue batik Flying Geese segments in three rows (**Diagram 13**). Join pieces in rows; join rows to make block center. The block center should be $8\frac{1}{2}$ " square including seam allowances.

18. Referring to **Diagram 14**, lay out corner units, side units, and block center in three rows. Sew together pieces in rows. Join rows to make block. The block should be $16\frac{1}{2}$ " square including seam allowances.

ASSEMBLE QUILT TOP

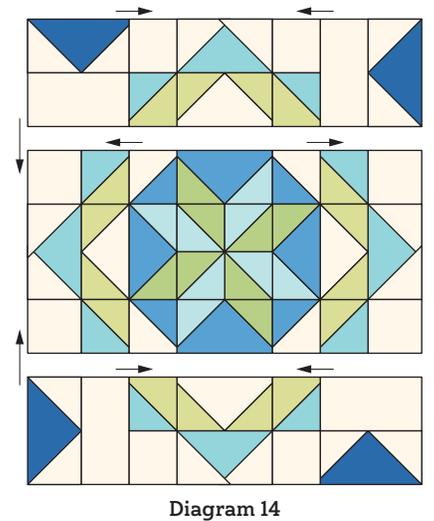

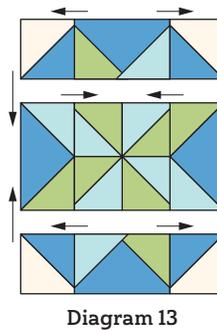

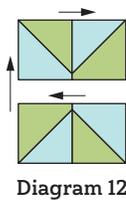

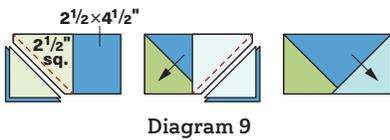

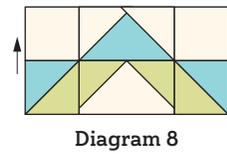

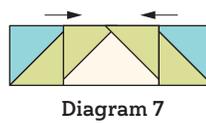

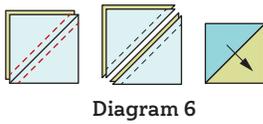

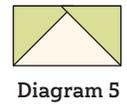

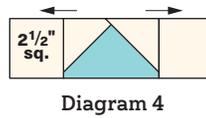

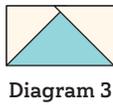

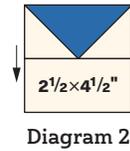

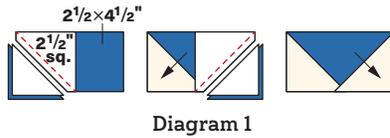

1. Referring to **Quilt Assembly Diagram**, sew together blocks in pairs; join pairs to make quilt center. Press seams in one direction.

2. Sew cream batik $3\frac{1}{2}\times 32\frac{1}{2}$ " border strips to opposite edges of quilt center. Add cream batik $3\frac{1}{2}\times 38\frac{1}{2}$ " border strips to remaining edges to complete quilt top. Press all seams toward border.

FINISH QUILT

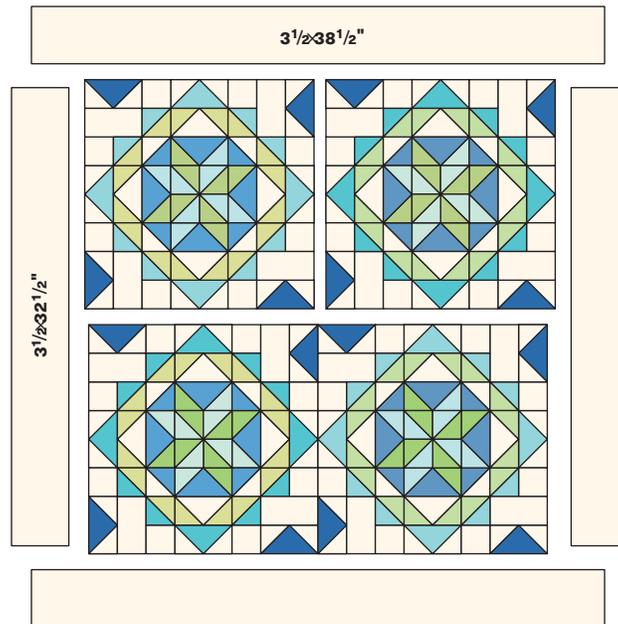

- 1.** Layer quilt top, batting, and backing; baste. Quilt as desired.
- 2.** Bind with binding strips.
