

Project: Smooth-Style Scarf

DESIGNER: JANELLE SWENSON

The extra-long length allows you to wrap this scarf for a fashion-forward look or loop it one more time for extra warmth.

Project: Smooth-Style Scarf

Materials

- $\frac{1}{3}$ yard each of solid brown voile, solid Cheddar voile, and solid cream voile (scarf front)
- $\frac{1}{2}$ yard each of solid dark brown voile and solid orange voile (scarf front, scarf back)

Finished scarf: $7 \times 86\frac{1}{4}$ "

Yardages and cutting instructions are based on 52" of usable cotton voile width.

Measurements include $\frac{1}{4}$ " seam allowances. Sew with right sides together unless otherwise stated.

About the Fabric

The featured scarf is made with a lighter weight fabric called cotton voile to give the scarf maximum drapability. For best results, use a new 70/10 sharp needle and a short stitch length when sewing.

Cut Fabrics

Cut pieces in the following order.

From each solid brown and solid Cheddar voile, cut:

- $3-5 \times 7\frac{1}{2}$ " rectangles
- $3-1\frac{3}{4} \times 7\frac{1}{2}$ " rectangles

From solid cream voile, cut:

- $3-5 \times 7\frac{1}{2}$ " rectangles
- $4-1\frac{3}{4} \times 7\frac{1}{2}$ " rectangles

From each solid dark brown and solid orange voile, cut:

- $1-7\frac{1}{2} \times 43$ " rectangle
- $3-5 \times 7\frac{1}{2}$ " rectangles
- $3-1\frac{3}{4} \times 7\frac{1}{2}$ " rectangles

Assemble Scarf Front and Back

1. Referring to Scarf Front Assembly Diagram, lay out a $5 \times 7\frac{1}{2}$ " rectangle and a $1\frac{3}{4} \times 7\frac{1}{2}$ " rectangle from each solid color voile in a horizontal row.

2. Sew together rectangles to make a scarf segment. Press seams in one direction. The scarf segment should be $7\frac{1}{2} \times 29\frac{1}{4}$ " including seam allowances.
3. Repeat steps 1 and 2 to make three scarf segments total.
4. Join scarf segments to make scarf front (Scarf Front Assembly Diagram). Press seams in one direction. The scarf front should be $7\frac{1}{2} \times 86\frac{3}{4}$ " including seam allowances.
5. Referring to Scarf Back Assembly Diagram, join solid dark brown voile and solid orange voile $7\frac{1}{2} \times 43$ " rectangles and remaining solid cream voile $1\frac{3}{4} \times 7\frac{1}{2}$ " rectangle to make scarf back. Press seams away from solid cream rectangle. The scarf back should be $7\frac{1}{2} \times 86\frac{3}{4}$ " including seam allowances.

Finish Scarf

1. With right sides together, join scarf front and scarf back along all raw edges, leaving a 3" opening in one long edge for turning.
2. Turn right side out through opening. Use a chopstick or stiletto to push out corners; press. Slip-stitch opening closed.
3. Topstitch $\frac{1}{8}$ " from all edges to complete scarf.
