

Project: Flock of Geese

Block Assembly Diagram

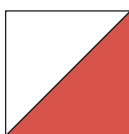

Diagram 1

Diagram 2

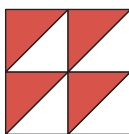

Diagram 3

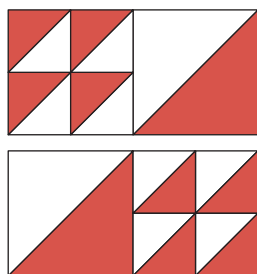

Diagram 4

Materials

- Red print and white print scraps

Finished block: 8" square

Cut the Fabrics

From red print, cut:

- 1—47/8" square, cutting it in half diagonally for a total of 2 large triangles
- 4—27/8" squares, cutting each in half diagonally for a total of 8 small triangles

From white print, cut:

- 1—47/8" square, cutting it in half diagonally for a total of 2 large triangles
- 4—27/8" squares, cutting each in half diagonally for a total of 8 small triangles

Assemble the Block

- Sew together one red print large triangle and one white print large triangle to make a large triangle-square (Diagram 1). Press the seam allowance toward the red triangle. Repeat to make a second large triangle-square.
- Sew together one red print small triangle and one white print small triangle to make a small triangle-square (Diagram 2). Press the seam allowance toward the red triangle. Repeat to make a total of eight small triangle-squares.

- Sew together the small triangle-squares in pairs (Diagram 3). Press the seam allowances in opposite directions. Then join the pairs to make a triangle unit. Press the seam allowance in one direction. Repeat to make a second triangle unit.
- Sew together the triangle units and large triangle-squares in pairs (Diagram 4). Press the seam allowances toward the large triangle-squares. Then join the pairs to make a block (Block Assembly Diagram). Press the seam allowance in one direction.
