Assemble Row 6

1. Use a pencil to mark a diagonal line on wrong side of each cream circle batik 3⅞" square.

2. Layer a marked cream circle batik square atop a red circle batik 3⅞" square. Sew together with two seams, stitching ¼" on each side of drawn line (Diagram 1). Cut pair apart on drawn line and press open to make two red triangle-squares. Each triangle-square should be 3½" square including seam allowances. Repeat to make eight red triangle-squares total.

3. Replacing red circle batik 3⅞" squares with navy batik and green batik 3⅞" squares, repeat Step 2 to make:
 - 6 navy triangle-squares
 - 6 green triangle-squares

4. Referring to Diagram 2, join a navy batik 2½" square and a multicolor circle batik 2½×4½" rectangle. Add navy batik 2½×6½" rectangles to make a house unit.

5. Sew together two red triangle-squares to make a roof unit (Diagram 3). Sew roof unit to house unit to make Block A. The block should be 6½×9½" including seam allowances. Repeat to make four A blocks total.

6. Referring to Diagram 4, repeat steps 4 and 5 using red sun batik 2½×6½" rectangles, red sun batik 2½" squares, green batik 2½×4½" rectangles, and navy triangle-squares to make three B blocks.

7. Referring to Diagram 5, repeat steps 4 and 5 using aqua swirl

batik 2½×6½" rectangles, aqua swirl batik 2½" squares, navy batik 2½×4½" rectangles, and green triangle-squares to make three C blocks.

8. Referring to Quilt Assembly Diagram, sew together blocks A–C to make Row 6. Press seams in one direction.
