Materials

FOR BOTH ONESIES

- Two plain white baby onesies
- Lightweight fusible stabilizer
- Embroidery floss: fluorescent orange, black, fluorescent pink, fluorescent purple, and fluorescent blue
- Pencil or disappearing-ink marking pen
- Tapestry needle
- Embroidery hoop (optional)

Embroider Baby Girl Onesie

1. Tape **Halloween Baby Girl Onesie Full-Size Embroidery Pattern** on page 4 to a light box or bright window. Trace embroidery pattern onto front of onesie using a pencil or disappearing-ink marking pen.

2. Cut a piece of fusible stabilizer that is slightly larger than the embroidery pattern. Following manufacturer's instructions, fuse stabilizer onto back of traced design.

3. Secure traced onesie in an embroidery hoop if desired.

4. Using three strands of fluorescent orange embroidery floss, backstitch the word "Ghoul-friend."

To backstitch, refer to **Backstitch Diagram** and pull needle up at A. Insert it back into fabric at B, and bring it up at C. Push needle down again at D and bring it up at E. Continue in same manner.

5. Using three strands of black embroidery floss, backstitch the ghost, bow, and smile.

6. To make eyes, stitch two French knots using three strands of black floss.

To make a French knot, pull floss through at the point where knot is desired (A on **French Knot Diagram**). Wrap floss around needle two or three times. Insert tip of needle into fabric at B, $\frac{1}{16}$ " away from A. Gently push wraps down needle to meet fabric. Pull needle and trailing floss through fabric slowly and smoothly.

4. Using three strands of fluorescent blue embroidery floss and French knots, fill in collar to complete baby boy onesie.

7. Fill in bow using three strands of fluorescent pink embroidery floss and small straight stitches to complete baby girl onesie.

To make a straight stitch, pull needle up at A (**Straight Stitch Diagram**), insert it back into fabric at B, and bring it up at C. Continue in same manner.
