Assemble Block
1. Sew together a medium print triangle and a dark print triangle to make a triangle-square **(Diagram 1).** Press seam toward dark print. The triangle-square should be 2¾" square including seam allowances. Repeat to make four triangle-squares total.

2. Referring to **Diagram 2,** sew a light print 1⅝×2¾" strip to a medium print edge of a triangle-square. Add a light print 1⅝×3⅞" strip to remaining medium print edge of triangle-square to make a corner unit. Press all seams toward strips.

The corner unit should be 3⅞" square including seam allowances. Repeat to make four corner units total.

3. Use a pencil or white dressmaker's chalk to draw a diagonal line on wrong side of each light print 1⅝" square.

4. Align a marked light print square with one end of a medium print 1⅝×2¾" rectangle **(Diagram 3;** note direction of drawn line). Sew on marked line. Trim excess, leaving ¼" seam allowance. Press attached triangle open. Align a second marked light print square with remaining end of medium print rectangle. Stitch, trim, and press as before to make a Flying Geese unit. The unit should be 2¾×1⅝" including seam allowances. Repeat to make 12 Flying Geese units total.

5. Join three Flying Geese units in a row to make a Flying Geese trio **(Diagram 4).** Press seams toward bottom Flying Geese unit. Repeat to make four Flying Geese trios total.

6. Referring to **Diagram 5,** lay out corner units, Flying Geese trios, and gray print 2¾" square in three rows. Sew together pieces in each rows. Press seams away from Flying Geese trios.
