- 3¾×5¾" rectangle red print
- Scraps of gold print
- Scraps of white solid
- Thread: red
- Lightweight fusible web
- Sequins

**Cut Fabrics**

Cut pieces in the following order. The pattern is on page 3.

To use iron-on fusible web for appliquéing, complete the following steps.

1. Lay fusible web, paper side up, over patterns. Use a pencil to trace each pattern the number of times indicated in cutting instructions, leaving ½" between tracings. Cut out each fusible-web shape roughly ¼" outside traced lines.
2. Following manufacturer's instructions, press fusible-web shapes onto wrong sides of designated fabrics; let cool. Cut out fabric shapes on drawn lines. Peel off paper backings.

**From gold print, cut:**

- 1 of Pattern A

**Assemble Card**

1. Fold olive green cardstock 6½×9" rectangle in half to make a 4½×6½" card. Center red print 3¾×5¾" rectangle on front of card; zigzag-stitch in place with red thread.
2. Fuse a gold print Pattern A star to card front. Glue sequins to star.
3. Print the words "merry," "festive," and "jolly" on fabric or paper. This card used printed words in red and green type on white fabric. Trim close to edges of words. Adhere words to card by straight-stitching ends with red thread.
