

Project: Joyful Holiday Card

DESIGNER: LINDA LUM DEBONO

Spread joyful tidings this holiday season with a card made from bright prints and a standout message.

## Project: Joyful Holiday Card

**Materials**

- 5½×8" piece lime green cardstock
- 5×3½" rectangle fuchsia print
- Scraps of gold print
- Thread: gold and fuchsia
- Lightweight fusible web
- Pinking shears

Finished card: 5½×4"

**Cut Fabrics**

Cut pieces in the following order.  
The patterns are on page 3.

To use iron-on fusible web for appliquéing, complete the following steps.

1. Lay fusible web, paper side up, over patterns. Use a pencil to trace each pattern the number of times indicated in cutting instructions, leaving ½" between tracings. Cut out each fusible-web shape roughly ¼" outside traced lines.
2. Following manufacturer's instructions, press fusible-web shapes onto wrong sides of designated fabrics; let cool. Cut out fabric shapes on drawn lines. Peel off paper backings.

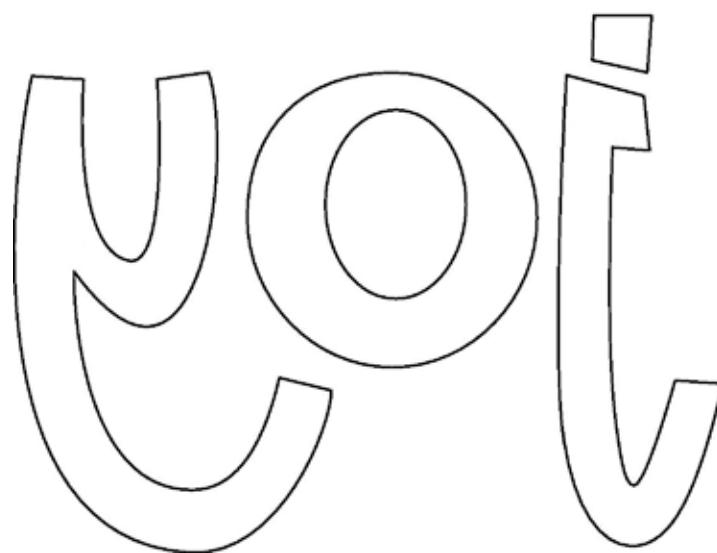

**From gold print, cut:**

- 1 each of patterns J, O, and Y

**Assemble Card**

1. Fuse gold print letters J, O, and Y onto a fuchsia print 5×3½" rectangle. Using gold thread and a short zigzag stitch, sew around each letter including inside the letter O. Use pinking shears to trim fuchsia rectangle.
2. Fold a lime green cardstock 5½×8" rectangle in half to make a 5½×4" card.
3. Center the embellished fuchsia print rectangle to card front; use fuchsia thread to straight-stitch close to edges.
