Assemble the Block

1. Sew together one beige print triangle and one navy print triangle to make a triangle-square (Diagram 1). Press the seam allowance toward the navy print triangle. The pieced triangle-square should measure 2" square, including the seam allowances. Repeat to make a total of eight triangle-squares.

Then join the pairs to make a corner unit. Press the seam allowance in one direction. The pieced corner unit should measure 3½" square, including the seam allowances. Repeat to make a total of four corner units.
3. Lay out the four pieced corner units and the remaining pieces in three horizontal rows (Diagram 3). Sew together the pieces

in each row. Press the seam allowances toward the beige print rectangles. Then join the rows to make a block (Block Assembly Diagram). Press the seam allowances in one direction.
