

Project: Triple Four-Patch

Materials

- White print, green print, and dark green print scraps

Finished block: 6" square

Cut the Fabrics

From white print, cut:

- 1—1¼×12" strip

From dark green print, cut:

- 1—1¼×12" strip

From green print, cut:

- 2—3½" squares
- 4—2" squares

Assemble the Block

1. Aligning long edges, sew together one white print 1¼×12" strip and one dark green print 1¼×12" strip to make a strip set. Press the seam allowance toward the dark green strip.
2. Cut the strip set into eight 1¼"-wide segments (**Diagram 1**).
3. Join two segments to make a small Four-Patch unit (**Diagram 2**). The pieced small Four-Patch unit should measure 2" square, including the seam allowances. Repeat to make a total of four small Four-Patch units.
4. Sew together two small Four-Patch units and two green print 2" squares in pairs (**Diagram 3**). Press the seam allowances toward the green print 2" squares. Then join the pairs to make a green print Four-Patch unit. Press the seam allowance in one direction. The pieced green print Four-Patch unit should measure 3½" square, including the seam allowances. Repeat to make a second green print Four-Patch unit.

5. Sew together the two green print Four-Patch units and the two green print 3½" squares in pairs. Press the seam allowances toward the 3½" squares. Then join the pairs to make a block (**Block Assembly Diagram**). Press the seam allowance in one direction.
