

## Project: Fox & Geese

### Materials

- Muslin and gold print scraps

**Finished block:** 4" square

### Cut the Fabrics

#### From muslin, cut:

- 5— $1\frac{7}{8}$ " squares, cutting each in half diagonally for a total of 10 small triangles
- 4— $1\frac{1}{2}$ " squares

#### From gold print, cut:

- 1— $2\frac{7}{8}$ " square, cutting it in half diagonally for a total of 2 large triangles
- 3— $1\frac{7}{8}$ " squares, cutting each in half diagonally for a total of 6 small triangles

### Assemble the Block

**1.** Sew together one muslin small triangle and one gold print small triangle to make a triangle-square (**Diagram 1**). Repeat to make a total of six triangle-squares.

DIAGRAM 1

**2.** Sew together two triangle-squares and two muslin  $1\frac{1}{2}$ " squares in pairs (**Diagram 2**). Press the seam allowances toward the muslin squares. Then join the pairs to make a Four-Patch unit. Press the seam allowance in one direction. The Four-Patch unit should measure  $2\frac{1}{2}$ " square, including the seam allowances. Repeat to make a second Four-Patch unit.

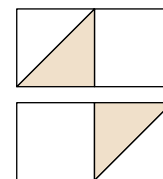

DIAGRAM 2

**3.** Referring to **Diagram 3**, sew the two muslin small triangles to a triangle-square to make a large pieced triangle. Press the seam allowances toward the muslin triangles. Then join the long side of a gold print large triangle to the long side of the large pieced triangle to make a triangle unit. Press the seam allowance

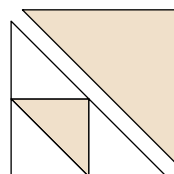

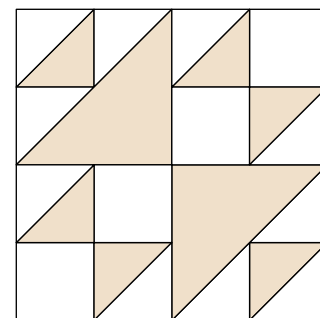

DIAGRAM 3

toward the gold triangle. The triangle unit should measure  $2\frac{1}{2}$ " square, including the seam allowances. Repeat to make a second triangle unit.

**4.** Sew together the Four-Patch units and triangle units in pairs. Press the seam allowances toward the Four-Patch units. Then join the pairs to make a block (**Block Assembly Diagram**). Press the seam allowance in one direction.
