

**PROJECT: Know Your Angles Table Runner**  
Add depth to a table runner with geometric blocks in rich  
jewel tone prints.

**INSPIRED BY:** *Comfy Cottage* from designer Krisanne Watkins  
([quailvalleyquilts.com](http://quailvalleyquilts.com))

**QUILT TESTER:** Diane Tomlinson

**FABRICS** are from the Elements collection by Ghazal Razavi for Figo Fabrics ([figofabrics.com](http://figofabrics.com)).

**FINISHED TABLE RUNNER:** 14½×36½"  
**FINISHED BLOCK:** 10" square

### MATERIALS

Yardages and cutting instructions are based on 42" of usable fabric width.

- ⅓ yard white print (blocks)
- ⅛ yard dark green print (blocks)
- 10" square *each* dark purple print, yellow print, and brown print (blocks)
- 18×21" piece (fat quarter) mint green print (blocks)
- ⅓ yard black print (sashing, border)
- ¾ yard binding fabric
- 1⅓ yard backing fabric
- 23×45" batting

### CUT FABRICS

Cut pieces in the following order.

#### From white print, cut:

- 3–3¼" squares, cutting each diagonally twice in an X for 12 small triangles total
- 6–2⅞" squares
- 24–2½" squares

#### From dark green print, cut:

- 6–3¼" squares, cutting each diagonally twice in an X for 24 small triangles total
- 6–2⅞" squares

#### From dark purple print, cut:

- 6–2⅞" squares, cutting each in half diagonally for 12 medium triangles total

#### From yellow print, cut:

- 3–3⅜" squares

#### From mint green print, cut:

- 6–5¼" squares, cutting each diagonally twice in an X for 12 large triangles total

#### From brown print, cut:

- 6–2⅞" squares, cutting each in half diagonally for 12 medium triangles total

#### From black print, cut:

- 2–2½×32½" border strips
- 2–2½×14½" border strips
- 2–1½×10½" sashing rectangles

#### From binding fabric, cut:

- 3–2½×42" binding strips

### ASSEMBLE BLOCKS

Measurements include ¼" seam allowances. Sew with right sides together unless otherwise stated.

Press seams in directions indicated by arrows on diagrams. If no direction is specified, press seam open.

**1** Use a pencil to mark a diagonal line on wrong side of each white print 2⅞" square.

**2** Referring to **Diagram 1**, layer a marked white print square atop a dark green print 2⅞" square. Sew together with two seams, stitching ¼" on each side of marked line. Cut apart on marked line. Press open to make two triangle-squares. Each triangle-square should be 2½" square including seam allowances. Repeat to make 12 triangle-squares total.

**3** Referring to **Diagram 2**, sew dark purple print medium triangles to opposite edges of a yellow print 3⅜" square. Join dark purple print medium triangles to remaining edges to make a Square-in-a-Square unit. The unit should be 4½" square including seam allowances. Repeat to make three Square-in-a-Square units total.

**4** Referring to **Diagram 3**, sew mint green print large triangles to opposite edges of a Square-in-a-

Square unit. Add mint green print large triangles to remaining edges to make a center unit. The unit should be 6⅞" square including seam allowances. Repeat to make three center units total.

**5** Lay out one triangle-square, two white print 2½" squares, and one brown print medium triangle in two rows (**Diagram 4**; note orientation of triangle-square). Sew together pieces in rows. Join rows to make Unit A. Repeat to make 12 A units total.

**6** Referring to **Diagram 5**, join dark green print small triangles to an A unit to make Unit B. Repeat to make six B units total.

**7** Referring to **Diagram 6**, sew together a white print small triangle and a remaining dark green print small triangle to make a triangle pair. Reversing color placement, repeat to make a mirror-image triangle pair.

**8** Referring to **Diagram 7**, sew triangle pair and mirror-image triangle pair to a remaining A unit to make Unit C.

**9** Repeat steps 7 and 8 to make six C units total.

**10** Sew B units to opposite edges of a center unit (**Diagram 8**). Add C units to remaining edges to make a block. The block should be 10½" square including seam allowances. Repeat to make three blocks total.

### ASSEMBLE TABLE RUNNER

**1** Referring to **Table Runner Assembly Diagram**, lay out blocks and black print 1½×10½" sashing rectangles in a row. Sew row together to make table runner center; press seams toward sashing rectangles. The table runner center should be 10½×32½" including seam allowances.

**2** Sew black print  $2\frac{1}{2} \times 32\frac{1}{2}$ " border strips to long edges of table runner center. Add black print  $2\frac{1}{2} \times 14\frac{1}{2}$ " border strips to remaining edges to complete table runner top. Press seams toward border to complete table runner.

**FINISH TABLE RUNNER**

**1** Layer table runner top, batting, and backing; baste. Quilt as desired.

**2** Bind with binding strips.
