

PROJECT: Napkins

FINISHED SIZE: 17" square

MATERIALS FOR ONE NAPKIN

Yardage and cutting instruction are for 42" of usable fabric width.

- 18x21" piece (fat quarter) green print
- Water- or air-soluble marking pen

CUT FABRICS

From green print, cut:

- 1-18" square

ASSEMBLE NAPKIN

1 Lay green print 18" square right side down. Referring to **Diagram 1**, at each corner measure in 1"; use a water- or air-soluble marking pen to mark a dot. From each edge, measure in $\frac{1}{2}$ " and mark lines.

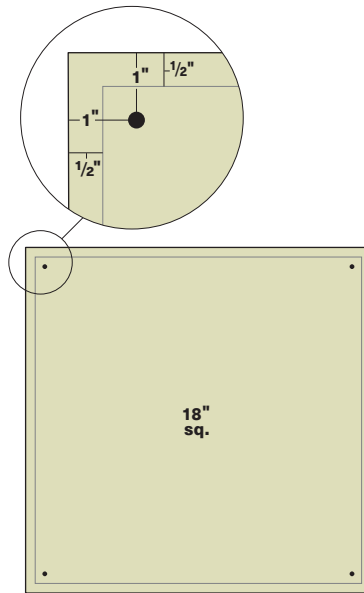

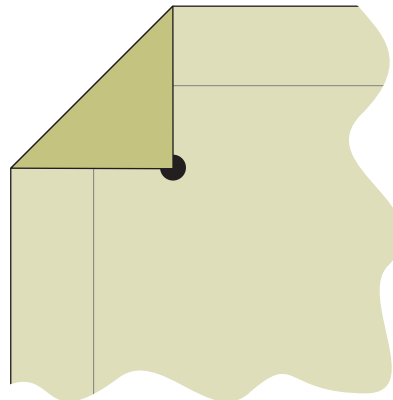

Diagram 1

2 Referring to **Diagram 2**, fold in one corner of square to dot, press, unfold, and trim $\frac{1}{4}$ " away from crease. Repeat in remaining corners.

3 Referring to **Diagram 3**, fold in each corner and edge of square $\frac{1}{4}$ " so raw edges just touch marked lines; press.

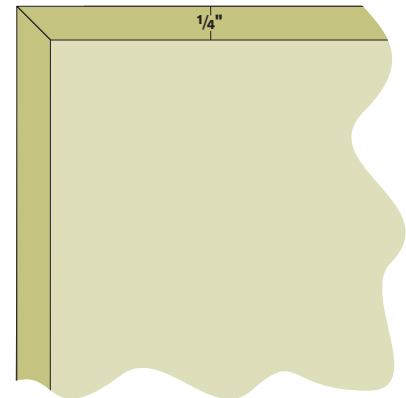

Diagram 4

4 Referring to **Diagram 4**, fold each edge in another $\frac{1}{4}$ " so corners are mitered. If necessary, use your fingers to manipulate folds until they abut in a miter. Pin folded edges in place.

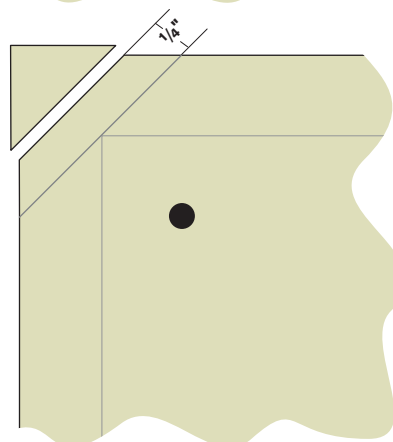

Diagram 2

5 Stitch square $\frac{1}{8}$ " from inside edges to hem and complete napkin (**Diagram 5**).
